1001 Dark Nights: Bundle Twenty-Three Oct 16 2022 From New  
York Times and USA Today bestselling authors Lorelei James,

Kylie Scott, Donna Grant, and Kristen Proby. Four Dark Tales. Four Sensual Stories. Four Page Turners. **WOUND TIGHT: A Rough Riders/Blacktop Cowboys® Crossover** by Lorelei James Bull rider Justin Donohue spent his youth hell-bent on winning world championships. After hitting the big 4-0, Justin takes a job at the Grade A Ranch and Rodeo School, where he immediately locks horns (and lips) with the sexy, sassy Callie—a 22-year-old cowgirl set on seducing him. From the moment Callie Morgan encounters the hot-as-fire new ranch hand, she knows his gruff manner is an attempt to mask his attraction to her. But she's never backed down from a challenge, especially not when Justin's actions speak louder than his denials. **STRONG: A Stage Dive Novella** by Kylie Scott As head of security to Stage Dive, one of the biggest rock bands in the world, Sam Knowles has plenty of experience dealing with trouble. But spoiled brat Martha Nicholson just might be the worst thing he's ever encountered. The beautiful troublemaker claims to have reformed, but Sam knows better than to think with what's in his pants. Unfortunately, it's not so easy to make his heart fall into line. **DRAGON NIGHT: A Dark Kings Novella** by Donna Grant There has never been a hunt that Dorian has lost. With his sights set on a relic the Dragon Kings need to battle an ancient foe, he won't let anything stand in his way – especially not the beautiful owner. Alexandra Sheridan is smart and cautious. Yet the attraction between them is impossible to deny – or ignore. But is it a road Dorian dares to travel down again? **TEMPTING BROOKE: A Big Sky Novella** by Kristen Proby Brooke's Blooms has taken Cunningham Falls by surprise. This store is Brooke Henderson's deepest joy, and it means everything to her, which shows in how completely she and her little shop have been embraced by the small community of Cunningham Falls. So, when her landlord dies and Brody Chabot saunters through her door, announcing that the building has been sold, and will soon be

demolished, Brooke knows that she's in for the fight of her life. But she hasn't gotten this far by sitting back and quietly doing what she's told. Brooke has no intention of losing this fight, no matter how tempting Brody's smile -- and body -- is. Every Dark Nights tale is breathtakingly sexy and magically romantic.

Poverty Row Studios, 1929-1940 May 11 2022 From the beginning of the sound era until the end of the 1930s, independent movie-making thrived. Many of the independent studios were headquartered in a section of Hollywood called "Poverty Row." Here the independents made movies on the cheap, usually at rented facilities where shooting was limited to only a few days. From Allied Pictures Corporation to Willis Kent Production, 55

Poverty Row Studios are given histories in this book. Some of the studios, such as Diversion Pictures and Crescent Pictures, came into existence for the sole purpose of releasing movies by established stars. Others, for example J.D. Kendis, were early exploitation filmmakers under the guise of sex education. The histories include critical commentary on the studio's output and a filmography of all titles released from 1929 through 1940.

Hollywood Bloodshed ~~Jul~~ 21 2020 In *Hollywood Bloodshed*, James Kendrick presents a fascinating look into the political and ideological instabilities of the 1980s as studied through the lens of cinema violence. Kendrick uses in-depth case studies to reveal how dramatic changes in the film industry and its treatment of cinematic bloodshed during the Reagan era reflected shifting social tides as Hollywood struggled to find a balance between the lucrative necessity of screen violence and the rising surge of conservatism. As public opinion shifted toward the right and increasing emphasis was placed on issues such as higher military spending, family values, and "money culture," film executives were faced with an epic dilemma: the violent aspects of cinema that had been the studios' bread and butter were now almost universally rejected by mainstream audiences. Far from eliminating screen bloodshed altogether, studios found new ways of packaging violence that would allow them to continue to attract audiences without risking public outcry, ushering in a period of major transition in the film industry. Studios began to shy away from the revolutionary directors of the 1970s—many of whom had risen to fame through ideologically challenging films characterized by a more disturbing brand of violence—while simultaneously clearing the way for a new era in film. The 1980s would see the ascent of entertainment conglomerates and powerful producers

and the meteoric rise of the blockbuster—a film with no less violence than its earlier counterparts, but with action-oriented thrills rather than more troubling images of brutality. Kendrick analyzes these and other radical cinematic changes born of the conservative social climate of the 1980s, including the disavowal of horror films in the effort to present a more acceptable public image; the creation of the PG-13 rating to designate the gray area of movie violence between PG and R ratings; and the complexity of marketing the violence of war movies for audience pleasure. The result is a riveting study of an often overlooked, yet nevertheless fascinating time in cinema history. While many volumes have focused on the violent films of the New American Cinema directors of the 1970s or the rise of icons such as Woo, Tarantino, and Rodriguez in the 1990s, Kendrick's *Hollywood Bloodshed* bridges a major gap in film studies. This comprehensive volume offers much-needed perspective on a decade that altered the history of Hollywood—and American culture—forever.

Singing Schumann Dec 06 2021 Singing Schumann is likely to become the standard introduction to some of the best-loved songs in the singer's repertoire. Written by a distinguished performer and internationally known teacher, the book offers astute, practical advice for bringing Robert Schumann's Lieder to life in performance. Richard Miller guides the reader through the interpretation of all of Schumann's solo and duet songs, drawing thoroughly on Schumann's compositional style and its historical

background. In addition to covering the "familiar forty"--the much-performed songs Schumann composed in and around 1840 while trying to win the hand of Clara Wieck--Miller takes an in-depth look at the lesser known early and later songs. In particular, he focuses on the rich and varied repertoire of Schumann's later years, challenging the conventional view that these works reflect a decline in the composer's creative powers. *Singing Schumann* begins with an overview of Schumann as a song composer and then proceeds to survey the entire repertoire, song by song. It features the well-known cycles, including the Eichendorff Liederkreis, *Frauenliebe und -leben*, and *Dichterliebe*, as well as the *Liederalbum für die Jugend* and settings of texts by Goethe, Burns, Rückert, and Kulmann. Using numerous musical examples, Miller uncovers Schumann's characteristic compositional devices and describes his novel and experimental approaches to the interpretation of texts, often achieved through exceptionally colorful keyboard accompaniments. Musically sensitive and eminently readable, *Singing Schumann* is an invaluable guide for teachers, coaches, pianists, and singers.

The Worlds of J. R. R. Tolkien Dec 26 2020 An illustrated journey into the life and imagination of one of the world's best-loved authors, Tolkien's Worlds provides a unique exploration of the relationship between the real and the fantastical and is an essential companion for anyone who wants to follow in Tolkien's footsteps.

Shoulda been a cowboy - Bestimmung Jan 19 2023 Eigentlich waren Cameron McKays Leben und Karriere klar vorgezeichnet. Genau wie seine Brüder, hätte er einen Platz auf der Farm seiner Familie gehabt. Doch Cam wählte einen anderen Weg und wurde Soldat. Schwer verletzt kehrt er aus dem Krieg zurück und arbeitet von nun an als Polizist. Seine dunkelsten Erinnerungen hat er verdrängt und er ist skeptisch, ob er jemals die Frau finden kann, die einen Mann wie ihn, mit seinen speziellen Sehnsüchten und kriegsversehrt, akzeptieren kann. Domini Katzinski ist aus der Ukraine in die USA immigriert und wuchs unter schwierigen Umständen auf. Sie ist nicht bereit, eine Beziehung einzugehen, dennoch sehnt sie sich nach einem sexuellen Arrangement, bei dem sie loslassen und die Führung ganz ihrem Partner überlassen kann. Als Cam und Domini sich näherkommen merken sie, dass sie besser zusammenpassen könnten, als sie zunächst dachten, aber sind sie in der Lage, die Dämonen ihrer Vergangenheit zu bezwingen und sich aufeinander einzulassen?

One Night Rodeo Sep 03 2021 All it takes is one night to change a cowboy's life... Barrel racer Celia Lawson knows better than to tangle with bull rider Kyle Gilchrist. The sexy cowboy's love 'em and leave 'em ways have earned him a reputation on the rodeo circuit, and he's always seen her as his best friend's kid sister.

But after one wild, tequila-fueled night, Celia wakes up to find out she's gotten herself hitched—to a man she never should have married! When Celia insists on an annulment, Kyle has no good reason to say no—except he isn't ready to let go of his new bride. But then Kyle inherits a sprawling Wyoming ranch, and seizes the opportunity to enlist Celia's help. She agrees to lend a hand—with two conditions: He has to get up to speed as a rancher within six months; then they'll get a divorce. And their marriage will be in name only. Kyle gives in to Celia's demand, yet he's ready to prove to her he has what it takes to turn their one night rodeo into a lifetime of love....

Slow Ride Jul 13 2022 Slow Ride: Rough Riders Book 9.5  
Textbook of Cancer Epidemiology Sep 22 2020 "Amid sweeping advances in the science and treatment of cancer, the Textbook of Cancer Epidemiology offers students and professionals a definitive, systematic resource for understanding the factors affecting all types of human cancer. This fully updated new edition offers an overview of epidemiology's key concepts and methods as they relate to cancer (including the merging potential of biomarkers) as well as site-specific chapters on individual cancers: natural history, pathology, descriptive epidemiology, and etiology. Taken together, these chapters forge connections between established science and the ongoing evolution of this dynamic field"--Back cover.
