John Calvin's Commentaries On Daniel 7- 12 (Annotated Edition) Nov 26 2020 This is the extended and annotated edition including * an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. THE PROPHECIES OF DANIEL are among the most remarkable Predictions of THE ELDER COVENANT. They are not confined within either a limited time or a contracted space. They relate to the destinies of mighty Empires, and stretch forward into eras still hidden in the bosom of the future. The period of their delivery was a remarkable one in the history of our race. The Assyrian hero had long ago swept away the Ten Tribes from the, land of their fathers, and he in his turn had bowed his head in death, leaving magnificent memorials of his greatness in colossal palaces and gigantic sculptures. The Son of the renowned SARDANAPALUS, the worshipper of

ASSARAC and BELTIS, had already inscribed his name and exploits on those swarthy obelisks and enormous bulls which have lately risen from the grave of centuries. The glory of NINEVEAH, passed away, to be restored again in these our days by the marvelous excavations at KOYUNJIK, KHORABAD, and NIMROUD. Another capital had arisen on the banks of the Euphrates, destined to surpass the ancient splendor of its ruined predecessor on the banks of the Tigris. The worshipper of the eagle-headed NISROCH — a mighty leader of the Chaldean hordes — had arisen, and gathering his armies from their mountain homes, had made the palaces and halls of NINEVE a desert, had marched southwards against the reigning PHARAOH of Egypt — had encountered him at CARCHEMISH — hurried on to THE HOLY CITY, and carried away with him to his favorite capital the rebellious people of the Lord. Among them was a captive of no ordinary note. He was at that time a child, yet he lived to see this descendant of the hardy Chasdim grow great in power and fame — to hear the tale of the fall of TYRE, and “the daughter of the ZIDONIANS,” and of the triumph over PHARAOH HOPHRA, whom modern researches have discovered in the twenty-sixth dynasty of Egypt’s kings. At length the haughty conqueror returns, and dreams mysteriously. This forgotten prisoner becomes the only interpreter of wondrous visions of Empires

about to arise and spread over distant centuries. The dreamer is at length gathered to his fathers, yet the interpreter lives on through the reign of the grandson, and explains a mysterious writing on the palace wall, amidst revelry which ends in the city's overthrow. Cryus and his Pers

The Vision of Gabriel Marcel Sep 24 2020 This book illustrates the profound implications of Gabriel Marcel's unique existentialist approach to epistemology not only for traditional themes in his work concerning ethics and the transcendent, but also for epistemological issues, concerning the objectivity of knowledge, the problem of skepticism, and the nature of non-conceptual knowledge, among others. ***The Confessions Of St. Augustine* Oct 18 2022 This volume is accurately annotated, including * an extensive biography of the author and his life**
Confessions (Latin: Confessiones) is the name of an autobiographical work, consisting of 13 books, by St. Augustine of Hippo, written between AD 397 and AD 398. Modern English translations of it are sometimes published under the title The Confessions of St. Augustine in order to distinguish the book from other books with similar titles. Its original title was "Confessions in Thirteen Books", and it was composed to be read out loud with each book being a complete unit. The work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written, and was an influential model for Christian writers throughout the following 1000 years of the Middle Ages. It is not a complete autobiography, as it was written in his early 40s, and he lived long afterwards, producing another important work (City of God); it does, nonetheless, provide an unbroken record of his

development of thought and is the most complete record of any single person from the 4th and 5th centuries. (from wikipedia.com)

Confessions of a Jewish Priest Nov 19 2022 The Confessions of a Jewish Priest are the reminiscences of Gabriel Weinreich, a secular Jew who was born in Poland and moved to the U.S. as a young adolescent during World War II thus narrowly escaping the Holocaust. The book follows Weinreich as he becomes an American, twice-husband, father, and an award-winning scientist, and shows how his subsequent journey toward Christianity and ordination to the Episcopal priesthood do nothing to impair his sense of "Jewishness." In addition to telling a compelling life story of a boy from an eminent Jewish family, the book takes us on a journey into Christianity as perceived by a Jew who began as a complete atheist--but realizes later in life that he never really was an atheist after all.
