The Right to Information: A Brief Overview Jan 27 2021 The Right to Information Act, 2005 is a golden piece of legislation which enacted to ensure transparency and accountability in governance of the country. After independence, no legislation has yielded such a faster result as has been yielded by this Act. It has given a kind of weapon in the hands of citizens to use against corruption and red-tapism prevalent in bureaucracy. This Act has revolutionary impact on the official work culture in our government and public enterprises. Each day this Act is discovering untraveled path and piercing new veil in administration. It has widespread effect in a very short span of time without much effort of executive or bureaucracy. Due to this Act various hidden facts of vital importance about administration revealed which were still considered sacrosanct and protected from disclosure. Today no one knows which fact is going to be unveiled tomorrow. Therefore this book is useful helpful for its readers to understand the importance of the Right to Information Act, 2005.
