De zijderoutes Nov 14 2019 Een fascinerende kijk op de wereldgeschiedenis van bestsellerauteur Peter Frankopan 'Door terug te kijken, ver terug te kijken, houdt Frankopan ons een spiegel voor, die uiteindelijk haarscherp laat zien dat we ons zullen moeten aanpassen - of we nou willen of niet.' VPRO Tegenlicht De zijderoutes is een schitterende verkenning van de elementen die de stuwende kracht waren achter de opkomst en de ondergang van wereldrijken, die de stroom van ideeën en goederen bepaalden en nu een nieuw tijdperk inluiden in de internationale politiek. Het gebied ten oosten van de Middellandse en de Zwarte Zee tot aan de Himalaya, dwars door Centraal-Azië tot diep in China en India, was duizenden jaren het middelpunt van de aarde. Het is de bakermat van onze beschaving, waar meer dan 2500 jaar v.C. metropolen ontstonden als Harappa en Mohenjodaro met een bevolking die in de tienduizenden liep en met straten die waren aangesloten op een geavanceerd rioleringsysteem. Het is ook het gebied van de zijderoutes - handelsroutes maar ook verbindingswegen waarlangs opvattingen, religies, ideeën, cultuur én ziektes zich konden verspreiden. Hier begint Peter Frankopan zijn nieuwe wereldgeschiedenis. Na de eerste zijderoutes ontstonden er andere: de

slavenroute, de goudroute, de route naar het zwarte goud. Maar in onze eenentwintigste eeuw zijn nieuwe routes aan het ontstaan die een grote gelijkenis vertonen met die allereerste, die Centraal-Azië doorkruisten. De zijderoutes komen terug! De pers over De zijderoutes: 'Briljante verhaallijnen (...) Een wereldgeschiedenis die het middelpunt van die wereld naar het oosten verplaatst.' The Economist 'Veel boeken beweren "een nieuwe geschiedenis van de wereld" te zijn; dit boek heeft die benaming met recht.' The Times 'Frankopan schreef een erg stimulerend boek, dat tal van nieuwe inzichten biedt en bovendien bijzonder prettig leest.'

Historisch Nieuwsblad Peter Frankopan is hoogleraar Wereldgeschiedenis aan Oxford University, waar hij ook Senior Research Fellow is aan Worcester College en directeur van het Centre for Byzantine Research. Hij is de auteur van de bestsellers De eerste kruistocht, De zijderoutes en De nieuwe zijderoutes.

Plays in Search of an Ending Mar 31 2021 Increase Your Social and Moral Intelligence! Read a play! Award-winning playwright and distinguished psychologist, Rabbi Milton Matz, Ph.D., explores a new direction for American theatre in his recently published, Plays in Search of an Ending. His theme is clear: every life is a play, and we all playwrights searching for good endings. Matz has heard thousands of dilemmas. He explores the most challenging ones by writing eleven fictional plays, three full plays with controversial endings and eight short plays with no endings at all. Each play focuses on a

provocative issue. Reading a play puts us in each characters shoes and enables us to see through their eyes endings we never imagined. If we choose to share our endings with others, our supply of practical solutions to personal dilemmas increase. This process of search for mutually satisfying solutions is the heart of social/moral intelligence. Frequently more important than intellectual intelligence, it enables us to live productive and harmonious lives. The book includes guidelines for discussion and an easy to follow inventory of communication behaviors for dealing with complex moral dilemmas. This collection of plays introduces an exciting new dramatic form, designed for living room, classroom, meeting room or Broadway: Plays In Search Theatre.

Never Too Late To Be Great Aug 24 2020 *Never Too Late To Be Great* is about the power of thinking long. Drawing on wide research into 'lead time' and the 'ten-year rule', bestselling personal development author Tom Butler-Bowdon shows that, contrary to popular belief, people, companies, products and ideas invariably need time to realise their potential. At the age you are now, many famous and remarkable people were only just getting into their stride - and it's likely that you have more time than you think to achieve your goals. It's never too late to begin the journey of being or doing something remarkable. This book will show you how.

Tenafly Oct 26 2020 *In the mid-19th century, Tenafly was a small Dutch-settled farming community located*

along the Hudson River, west of the Palisades. Once the railroad started running through the village around 1860, Tenafly developed into an attractive growing neighborhood as well as a summer retreat for wealthy professionals. In 1894, the village broke away from Palisades Township and received borough status. The completion of the George Washington Bridge in 1931 made the journey to Manhattan more convenient, attracting more city dwellers as residents and cementing Tenafly's place in New York suburbia. Since the days of unpaved roads, handfuls of wood-framed stores, and country estates, Tenafly has boasted intimate parks and historic landmarks that give this picturesque Bergen County town its community feel. The photographs in Tenafly show the community's social and physical development throughout its more than 110-year history as a borough.

The Eye of Dread May 13 2022 Reproduction of the original: The Eye of Dread by Payne Erskine

The Egyptian Princess Dec 08 2021 Peter Phillips, the time-traveller from Saving the Dinosaurs, now 13, is sent back 5,000 years to Ancient Egypt at the time of the Fourth Dynasty. There he finds a world where the wheel has not yet been invented, where only the prayers of the Pharaoh guarantee that the Nile will provide sufficient water for the crops, and where the Sun God, has to travel by boat through the Underworld each night in order to rise in the morning. Shortly after his arrival he is befriended by the Pharaoh's daughter Mer-tio-tess, who

believes he is a Spirit sent to help her. While increasingly attracted towards the Princess he finds himself drawn into a web of power struggles and rivalry. And things get worse when Peter, by accident, brings her back to present-day London, a cold place filled with sad-looking people which, she believes, must be the Underworld.

I Am Sophia Jan 09 2022 When a mysterious and charismatic woman insinuates herself into a fringe religious group, its dozen members wonder whether she is a lunatic, a con artist, or a messiah. Sophia quickly upends the routines and expectations of the group--the last Christians in the inhabited solar system--while Peter, their struggling leader, becomes increasingly obsessed with her. Before long, Peter finds himself following Sophia on a perilous interplanetary adventure which may cost both of them their lives.

Faith's Genesis Aug 04 2021 Spiritual gifts are given to all of us. It is through these gifts our lives take flight.... In a relationship with Princess Juliana Radcliffe of Liechtenstein, Jonathan Baker became a father. He never thought her a princess Or that loving her would be dangerous Until a political threat arose Forcing their flight to protect their young family. Years have passed and now their children, Princess-Apparent Catherine and Prince -Apparent Trevor, are poised for their irrevocable futures. The spiritual gifts of others guide their journey. For Catherine, a chance encounter with a high school friend leads to motherhood's door. The spiritual connection to her and her brother's past finds its advent

with this new life. Her journey finds its roots in the spiritual gifts of others, gaining momentum through unsurpassable love, deep secrets, prophecies and shocking revelations. Can she pull the pieces together to help her family return to normalcy and their thrones?

Quote, Double Quote Jun 14 2022 The boundary between 'high' culture and 'popular' culture is neither hermetic nor stable. A wide-spread mechanism of a reception strongly influenced by structuralism and post-modernism has led to the amplification and acceleration of cultural production between these two poles. Relying on a decidedly theoretical approach, this volume offers a broad perspective transgressing linguistic, cultural, temporal, and media borders. Reflections and perspectives on the relationship between 'high' and 'popular' culture are the subject of the thirteen articles collected here. Side by side with theoretical approaches, case studies covering classical and Heavy Metal music, TV series and pornographic films, zombies and 'Creature Features', philosophically infused comics and popular lexicography, professional wrestling and hypertext literature pave the way to a contemporary aesthetics.

Experiencing Peter Gabriel Jul 15 2022 In Experiencing Peter Gabriel, author Durrell Bowman delves into the sounds and stories of the innovative, versatile, English pop icon. As not only a singer-songwriter and musician, but also a music technologist, world-music champion, and humanitarian, Gabriel has consistently maintained an unabashed individualism and dedication to his artistry.

From 1969 to 1975, Gabriel served as the lead singer, flute player, occasional percussionist, and frequent songwriter and lyricist of the progressive rock band Genesis. With the band, Gabriel made six studio albums, a live album, and numerous performances and concert tours. The early version of Genesis made some of the most self-consciously complex pop music ever released. However, on the cusp of Genesis becoming a major act internationally, Gabriel did the unthinkable and left the group. Gabriel's solo career has encompassed nine studio albums, plus five film/media scores, additional songs, videos, major tours, and other projects. As a solo artist and collaborator, he has worked with first-rate musicians and produced unrivaled tracks such as the U.S. No. 1 hit "Sledgehammer." Gabriel won six Grammy Awards in the 1990s and 2000s, as well as numerous additional awards and honors for his music and his videos, as well as for his humanitarian work. From his early work with Genesis to his substantial contributions as a solo artist, Gabriel's music ranges from chart-topping pop songs to experimental explorations often filled with disarmingly personal emotions. Experiencing Peter Gabriel investigates the career of this magnetic performer and uncovers how Gabriel developed a sound so full of raw authenticity that it continues to attract new fans from across the world.

A Portrait of Emily Oct 18 2022 When Peter Brandon is commissioned to paint Emily Hastings' portrait, his keen

psychic awareness unlocks the dark secret that has haunted her since childhood. Now on the brink of at last finding happiness in the arms of the man she loves, she is faced with her father's resolute desire to destroy her life. When her father, Charles Hastings, is found murdered, Emily is suspected of the crime, and it falls to Jeff Stevens, Peter's lover, to try and clear her name. His investigation turns personal when his ex-lover is also found murdered and he finds himself tracking two killers - at considerable risk to himself. His discovery that Hastings was involved in using the services of a child prostitution ring enrages Jeff and he agrees to be the bait in a police 'sting' operation...but when that goes wrong, Jeff's life is suddenly, once again, in danger.

Het achterhuis Jul 23 2020 Anne Frank hield van 12 juni 1942 tot 1 augustus 1944 een dagboek bij. Zij schreef haar brieven alleen voor zichzelf, tot ze in de lente van 1944 op radio Oranje de minister van Onderwijs, Kunsten en Wetenschappen in ballingschap, Bolkestein, hoorde spreken. Hij zei dat na de oorlog alle getuigenissen van het lijden van het Nederlandse volk onder de Duitse bezetting verzameld en openbaar moesten worden gemaakt. Als voorbeeld noemde hij onder andere dagboeken. Onder de indruk van deze redevoering besloot Anne Frank na de oorlog een boek te publiceren. Haar dagboek zou daarvoor als basis dienen. In maart 1945 stierf Anne Frank op vijftienjarige leeftijd in het concentratiekamp Bergen-Belsen. De enige overlevende van de familie, Otto Frank, zorgde ervoor dat het

dagboek van zijn dochter toch gepubliceerd werd. In 1947 verscheen Het Achterhuis. Het is sindsdien een van de meest gelezen boeken ter wereld. Het is in meer dan dertig landen verschenen en er zijn meer dan zestien miljoen exemplaren van verkocht. "Eén enkele Anne Frank ontroert ons meer dan de ontelbaren die net zo leden als zij, maar wier beeld in de schaduw is gebleven. Misschien moet dat ook zo zijn: als we het leed van alle mensen moesten en konden meelijden, zouden we niet kunnen leven." Primo Levi

Mother Jones Magazine Jun 02 2021 Mother Jones is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues.

Spy Feb 10 2022 Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

An Englishman's Tales of a Small Yorkshire Village Aug 16 2022 Most of the details of village life came from my own personal experiences. When, at the beginning of the war, my parents moved to a suburb of Leeds, called

Lower Wortley it had just been incorporated into the boundaries of the city but still retained a lot of the air of a village about it. We, my family and I, lived in a small leaky sandstone cottage, one of seven, halfway up a hill. Right behind us there was a smallholding, where the farmer raised chickens, ducks and pigs. On the opposite side of the road we lived on, there was a row of rather grand four story houses, at the head of rather long equally grand gardens. The owners of which looked with distain upon their neighbors across the way. At the top of the hill was another group of houses set in a circle with a Methodist Chapel in their midst and the whole area was referred to as the Bull Ring. At the bottom of the hill was the main road into Leeds. Here was the Tram terminus, (Public Transport) with a switch over line to facilitate change over to the inbound line. It was a seriously bleak time, when Britain was on the defensive, and looked as though it was about to be invaded by the Germans at any time. So we sang songs to cheer ourselves up. "There'll be blue birds over the white cliffs of Dover." "There'll always be an England, and England shall be free." And silly songs like "I'm going to hang out the washing on the Siegfried Line. (A line of fortifications on the German border) So when I wrote "Little Miracles," and compiled "An Englishman's tales of a small Yorkshire village," to go with it and I incorporated many of my experiences from this time. I hope you enjoy reading it as much as I did writing it.

Image and Territory Dec 20 2022 In a culture that often

understands formal experimentation or theoretical argument to be antithetical to pleasure, Atom Egoyan has nevertheless consistently appealed to wide audiences around the world. If films like The Adjuster, Calendar, Exotica, and The Sweet Hereafter have ensured him international cult status as one of the most revered of all contemporary directors, Egoyan's forays into installation art and opera have provided evidence of his versatility and confirmed his talents. Throughout his career, Atom Egoyan has shown himself to possess the rarest kind of singularity. As Jonathan Romney puts it, Egoyan's preoccupations and tropes have been so consistent that he's practically created his own genre (1995, 8). Hrag Vartanian adds, 'Egoyanesque has become a word to film aficionados, commonly understood to mean a cinematic moment that examines sexuality, technology and alienation in the modern world' (2004). For this singularity, Egoyan is widely hailed as a true auteur, 'someone carrying on the legacy of the European art-house traditions of Bergman, Godard, and Truffaut. Certainly, his work bears a most recognizable signature' 'there is no confusing an Egoyan work with anyone else's. Like his art-house predecessors, Egoyan clearly intends that his work be, as Dudley Andrew puts it, 'read rather than consumed,' that is, viewed meditatively, reflected upon, and discussed (2000, 24). And indeed, in this world in which filmmaking has become commonplace, as Egoyan has said, 'what used to be a rarified activity is now available to anyone

with a digital camera and a computer³ (2001b, 18) he intends through much of his work to recall an earlier image culture in which artists had an ability to produce something that gained its power precisely through its rarity.

Growing Up Global Jun 21 2020 In today's increasingly interconnected world, how do we prepare our children to succeed and to become happy, informed global citizens? A mother of three, Homa Sabet Tavangar has spent her career helping governments develop globally oriented programs and advising businesses on how to thrive abroad. In Growing Up Global, Tavangar shares with all of us her "parenting toolbox" to help give our children a vital global perspective. Whether you're mastering a greeting in ten different languages, throwing an internationally themed birthday party, or celebrating a newfound holiday, Growing Up Global provides parents and children with a rich, exciting background for exploring and connecting with far-flung nations they may have only heard about on television. Inside you'll discover

- fun activities, games, and suggestions for movies, music, books, magazines, service activities, and websites for expanding your family's worldview*
- simple explanations that will help your children grasp the diversity of world faiths*
- creative ways to gain geography literacy*
- handy lists of celebrations and customs that offer a fascinating look at how people from different cultures around the world live everyday life*

Growing Up Global is a book that parents, grandparents,

and teachers can turn to again and again for inspiration and motivation as they strive to open the minds of children everywhere.

*The Annotated and Illustrated Double Helix Dec 28 2020
Published to mark the fiftieth anniversary of the Nobel Prize for Watson and Crick's discovery of the structure of DNA, an annotated and illustrated edition of this classic book gives new insights into the personal relationships between James Watson, Frances Crick, Maurice Wilkins, and Rosalind Franklin, and the making of a scientific revolution.*

New York Magazine Jan 29 2021 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Hunted Past Jan 17 2020 Serena O'Donnell, a healer, copes with depressed and suicidal patients dealing with past tragedies. She lives a quiet and safe life, comfortable in the thought she is free to define her own path.

Suddenly a random phone call tumbles her existence into a fantasy realm peopled with warring superhuman beings

who seem to know more about her than she does. Gabriel, a Field Psychic, is committed to protecting Serena but in the process discovers he wants to be more than her bodyguard. Serena and Gabriel team up to discover why she has earned the secret warriors' attention and explore Serena's past for clues. Their journey becomes one of self-discovery, healing, and the slow burn of unexpected passion. The answers they find could bond them in love or forever tear them apart.

The Girls on Rose Hill Sep 05 2021 Ellen Murphy spent her childhood in an idyllic house by the sea. A house surrounded by flower filled gardens and a white picket fence. A house she fled at eighteen. A house full of secrets. When Ellen's mother Rose, an ex-nun, is diagnosed with terminal cancer, Ellen reluctantly returns home to care for her and uncovers a clue to the one secret that has haunted Ellen all her life: the identity of her father. But that is just one of the many secrets hidden behind the beautiful facade of the house on Rose Hill.

Charles Waterton : His Home, Habits, and Handiwork Jul 03 2021

The Seven Daggers Oct 06 2021 Late 19th Century, England. James Collins' father, Charles, was a detective with a great track record. But when a case doesn't go as planned, it results in eleven year old James being kidnapped, and the man behind it being too powerful for Charles to handle. James narrowly escapes with his life. He is taken in by a family, the Smiths, and joins a new school. But danger doesn't leave James, for mysterious

happenings around him lead him to face an evil plot from which he cannot walk away. James learns about the mystical Seven Daggers, each of which have immense powers in their own unique way. But he finds out that Lord Damian is after these daggers and that he would stop at nothing to get them. James and his friends, Edmund and Emily, set out on a journey full of thrilling adventures, from escapes on horseback to stowing away on a ship, in their quest for the Seven Daggers. But will James and his friends be able to stop the evil Lord Damian by finding the daggers before he becomes more powerful than ever?

Henry Prinsep's Empire Dec 16 2019 Henry Prinsep is known as Western Australia's first Chief Protector of Aborigines in the colonial government of Sir John Forrest, a period which saw the introduction of oppressive laws that dominated the lives of Aboriginal people for most of the twentieth century. But he was also an artist, horse-trader, member of a prominent East India Company family, and everyday citizen, whose identity was formed during his colonial upbringing in India and England. As a creator of Imperial culture, he supported the great men and women of history while he painted, wrote about and photographed the scenes around him. In terms of naked power he was a middle man, perhaps even a small man. His empire is an intensely personal place, a vast network of family and friends from every quarter of the British imperial world, engaged in the common tasks of making a home and a career, while framing new identities, new

imaginings and new relationships with each other, indigenous peoples and fellow colonists. This book traces Henry Prinsep's life from India to Western Australia and shows how these texts and images illuminate not only Prinsep the man, but the affectionate bonds that endured despite the geographic bounds of empire, and the historical, social, geographic and economic origins of Aboriginal and colonial relationships which are important to this day.

Cardinal Pietro Ottoboni (1667-1740) and the Vatican Tomb of Pope Alexander VIII May 21 2020 Examines the commission of the Vatican tomb of Pope Alexander VIII Ottoboni by his great-nephew Cardinal Pietro Ottoboni. Although neglected for centuries, the Ottoboni monument occupies the most strategic liturgical position in the complex of tombs in the Vatican basilica. It is impressive in scale, & offers a commanding presence on the path from the papal entryway to the apse & main altar, with a majestic papal effigy, a visually compelling narrative relief carving, & symbolically important allegories. Using unpublished archival documents in the Vatican & Lateran archives, this study discusses in detail the 30-year campaign for the construction of the tomb & identifies the artists & artisans responsible for the project. The monograph is comprehensive in its stylistic analysis, exploration of iconography, discussion of liturgical practice, & consideration of studio procedures beginning with patron & artist, architect & sculptors, & sculptor & artisans. reveals why the project required three decades

to complete. "A well-written, informative, & important monograph. And, in the process, he has expanded our understanding of contemporary workshop practice and art making in the Rome of the later Baroque period. There are sections where the author's meticulous care & insightful reconstruction of events gives the reader a sense of ""being there"" in the day-to-day process of work on the site. These parts make for especially exciting and engaging reading." -- "An absolutely wonderful piece of work."

Attending to Early Modern Women Mar 19 2020 This volume continues and amplifies a series of conversations initiated in 1990 at the conference, "Attending to Women in Early Modern England," sponsored by the University of Maryland's Center for Renaissance and Baroque Studies on the College Park campus. The volume celebrates the work of the almost 400 scholars who contributed - as plenary speakers, workshop leaders, and participants - to "Attending to Early Modern Women," held in April 1994, once again at the University of Maryland at College Park.

Good Night Sweet Angel Oct 14 2019 After escaping her marriage, Jenn Galbraith hoped to start a new life with her four-year-old daughter, Emily. But Jenn's ex-husband has other plans. Evan follows them to their new home in Vermont, determined to take their lives. He succeeds in killing himself and hospitalizing Emily. Comatose and hovering between life and death, Emily meets Tara, a little girl who's also searching for a way back to the world of the living. Upon waking, Emily is delighted to

find Tara's presence has followed her home. Even in death, Evan seeks to stake his claim to Emily. His vengeful spirit pursues her and is repeatedly thwarted by Tara, the ghost of a child. Tara can hold Evan at bay, but she also has her own agenda. Emily is Tara's last chance to live again. As strange events keep mounting, and the death toll increases, Jenn starts to understand that Tara is much more than an imaginary playmate. If Jenn is to save her daughter, she must learn to believe in ghosts...and then she must destroy them. PRAISE: "A macabre imagination and a tight rein on your nerves are required for McNally's latest release." —Publishers Weekly

Material World Jan 21 2023 A photo-journey through the homes and lives of 30 families, revealing culture and economic levels around the world.

TwentySomeone Apr 19 2020 Live Strategically The decade of your twenties is full of important, stressful, maddening questions: What will I do? Who will I love?

Where will I live? But maybe there's a bigger question: Who am I? The fact is, the period of time between your teens and thirties will shape a lot of your character, your calling, and your view of the world. Authors Craig Dunham and Doug Serven (recent graduates of their twenties) explain that the difference between a twentysomething and TwentySomeone has to do with the questions we ask. Instead of asking, "What will I do?" twentysomeones need to ask "Who am I?"-the real question of the twenties. Full of personal experience and practical wisdom, TwentySomeone helps you make the most of your twenties while giving you the skills to handle common life experiences like singlehood, first jobs, getting married, having kids, and buying stuff. This is a guidebook that will help you discover who God is calling you to be.

The Strauss Family Feb 22 2023

Charles Waterton: his home, habits, and handiwork. Reminiscences of ... nearly thirty years ... With sixteen illustrations, engraved from photographs ... by S. Smith and ... W. L. Smith, etc. (Catalogue of pictures at Walton Hall, near Wakefield, as prepared by the late Mr. Waterton.) May 01 2021

St. Peter's Church Feb 27 2021 Celebrating 250 years, St. Peter's Episcopal Church in the Society Hill neighborhood of Philadelphia, has witnessed a rich mixture of people and events that reflect critical periods of American political and cultural history. George Washington worshiped here as did abolitionists and slave

holders, Whigs, Democrats, and Republicans. St. Peter's was a point of first contact for thousands of immigrants, and the church opened schools for immigrants to help them to acculturate to life in Philadelphia. Opening a window onto colonial Philadelphia and the nation's histories, St. Peter's Church is a glorious testament to this National Historic Landmark. In addition to the stories and hundreds of black-and-white and color photographs, this handsome volume provides a history of the grounds, the churchyard, and the church itself—a classic example of eighteenth-century Philadelphia design that later incorporated the work of renown architects William Strickland, Thomas U. Walter, and Frank Furness.

Rome, Ravenna, and Venice, 750-1000 Nov 07 2021 The richest and most politically complex regions in Italy in the earliest middle ages were the Byzantine sections of the peninsula, thanks to their links with the most coherent early medieval state, the Byzantine empire. This comparative study of the histories of Rome, Ravenna, and Venice examines their common Byzantine past, since all three escaped incorporation into the Lombard kingdom in the late 7th and early 8th centuries. By 750, however, Rome and Ravenna's political links with the Byzantine Empire had been irrevocably severed. Thus, did these cities remain socially and culturally heirs of Byzantium? How did their political structures, social organisation, material culture, and identities change? Did they become part of the Western political and ideological framework of

Italy? This study identifies and analyses the ways in which each of these cities preserved the structures of the Late Antique social and cultural world; or in which they adapted each and every element available to them to their own needs, at various times and in various ways, to create a new identity based partly on their Roman heritage and partly on their growing integration with the rest of medieval Italy. It tells a story which encompasses the main contemporary narratives, documentary evidence, recent archaeological discoveries, and discussions on art history; it follows the markers of status and identity through titles, names, ethnic groups, liturgy and ritual, foundation myths, representations, symbols, and topographies of power to shed light on a relatively little known area of early medieval Italian history.
