*Man, the target of  
God* Jan 29 2021 In  
the theology of  
Saint Silouan and  
Saint Sophrony,  
man is the target of  
divine visitations  
that serve to make  
him aware of the  
image of Christ  
within him. God  
created man in His  
'image and  
likeness'. Although  
this image has  
become distorted,

the purpose of  
man's life in the  
Church is that it  
should be perfectly  
restored. Saint  
Sophrony referred  
to the image of God  
in man as man's  
'hypostasis' or  
'personhood'. He  
taught that this  
image cannot be  
realised without the  
witness of a saint or  
elder, who  
demonstrates  
likeness unto Christ  
and bears His word.  
For this reason, he  
often explained the  
principle of  
personhood  
through reference  
to the life and  
writings of Saint  
Silouan. In this  
book,  
Archimandrite  
Zacharias, the  
disciple of Saint  
Sophrony, likewise  
presents the  
principle of  
personhood

through the lives of the elders of his monastery, Saint Silouan and Saint Sophrony. He also examines attributes of personhood in terms of dogma and spiritual practice. Throughout Man, the Target of God, Father Zacharias elaborates on aspects of the theme of personhood which were previously introduced in his doctorate *Christ, Our Way and Our Life-A Presentation of the Theology of Saint Sophrony*. He developed his thought in a series of lectures in Athens and America, which later became the basis for this book. *Greater Is He* Oct 06 2021  
Magnify The LORD May 01 2021 God's

promises in the Bible are real and true. God means it when He says "Ask and You Will Receive." I have taken the Lord up at His word and He has always come through. I want the world to see how Wonderful our God is!! I want to Magnify His Name! When you stay close to God, He fulfils the desires of your heart in the most amazing ways - better than anyone could ever imagine. For our God is Mighty and Powerful and nothing is impossible for Him!  
**My Soul Doth Magnify the Lord**  
Dec 08 2021 Do you sometimes feel that you are at the top of the world? Are you amazed at the beauty surrounding

you in God's majestic creation—the sky, the mountains, the valleys, and the rivers? Does the rush and roar of the ocean waves tingle through your whole being as you watch and listen? Does the coming of the seasons—Thanksgiving, Christmas, and Easter--arouse your senses and awaken your joy of anticipation? These are some of the feelings and experiences expressed in the poetic verse found in this collection of inspirational poems and devotionals. Poems such as "Morning's Dawn," "Autumn Song," and "Evening at Sunset" will take you to those quiet moments of peace and serenity that

everyone needs along the way. "Seascape" and "Seashore Symphony" will remind you of the mighty powers our great Creator wields over the universe. Mountaintop experiences, however, are not the everyday diet of human experience. Sadness, pain, illness, frustration, and disappointment pepper mankind's daily existence on a much greater scale. Such poems as "Be Strong," "Hold Fast," "A Pilgrim's Prayer," and "Heaven" speak to the heart and soul of human agony and distress. There is hope! It is found in the Savior of humankind ... the Creator of the world ... the friend

that sticketh closer than a brother. That hope is found in Jesus Christ—Immanuel, God with us! Filled with pertinent Scriptures of timeless wisdom and comfort, this book of poems and devotionals is designed to lift your spirits during any day or season. Join the author as she magnifies the Lord with Scripture and poetic verse! "I will bless the Lord at all times: His praise shall continually be in my mouth. My soul shall make her boast in the Lord: the humble shall hear thereof, and be glad. O magnify the Lord with me, and let us exalt His name together."

**Love Is...** Aug 24  
2020 Love is... is not your typical one-Scripture and a short-story-type of devotional. Love is... is an in-depth study of the Word of God to analyze the true meaning of love and all of its attributes. By using the Bible as a lens, the author navigates us through an investigation into the biblical qualities of love from the Old Testament, the teachings of Jesus, and Paul's famous love verses in Corinthians. Each daily devotion is saturated with Scripture and strongly aims toward helping others live a victorious life. Providing many

wise discernments, biblical references, and relatable application for the reader, Love is... helps solidify each concept in their mind and, ultimately, their spirit. Each devotion is completely designed to draw the reader closer in their relationship with the Lord, while addressing love from every angle, including faith and hope. With daily prayers and Scripture studies and questions for reflections at the end of each devotion, the reader can connect to the study as they dive deeper into the depths of a biblically based love. Love is... is the first devotional book by J. R. Gattis,

and a portion of all proceeds will be donated through [abidesinlove.com](http://abidesinlove.com) to show love in action, to aid the addicted, homeless, and incarcerated to help them draw closer to Jesus in their time of need.

Jun 02 2021 Spoken words

from the heart of Shirley M. Long According to 2 Timothy 3:16, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness." I'm sharing these spoken words with well-wishes to encourage anyone to have a desire to find out about my Lord and Savior, Jesus Christ.

**Magnifying JESUS**

Aug 04 2021 In the Bible, God tells us how to begin a relationship with Him. Jesus says, "If anyone is thirsty, let him come to me and drink. Whoever believes in me, as the Scripture has

said, streams of living water will flow from within him." (NIV John 7:37, 38) Learning about God and what He wants for our journey is something Wesley Haywood Dean has spent many of his eighty-plus years doing. In this ambitious and inspiring collection of two hundred-plus poems, Dean brings you gifts from God; gifts that will inspire, encourage, and edify you with each page. Poetry has long been a path for expression and reflection. Dean elegantly uses this literary form to express a range of emotions and teach a variety of lessons. His collection offers a poem for everyone, no matter where you are in

your journey with Christ. Through this thought-provoking collection, Dean helps you experience God's brilliance and beauty, providing answers to many questions you may have as a Christian. Sit down with this volume frequently; immerse yourself. Read and reflect on several poems at a time or one poem in particular. Each will help you incorporate spiritual reflection into your life, ultimately bringing you closer to Christ.

1, 2 Peter, Jude Dec 16 2019 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. *Let The Lord Be Magnified* Mar 19 2020 Challenges of life show up disproportionately bigger than what they are. They are magnified to give us false impression that we are in for doom and gloom. They pose as if they are the biggest, toughest, strongest- and above all, insurmountable. They aim at creating disruption, disturbance, distress and ultimately, destruction. Some people cave in and

are crushed by the trials, hardship and torrents of difficulties. But a rare few were able to weather the storms of life and emerged victorious. What makes the difference? Who and what is magnified amid choking circumstances determine how we will come out at the other end, whether battered and tattered or victorious and glorious. Let The Lord Be Magnified is a step-by-step explanation of Psalm 34:27. Among others, we will learn what it means to "shout for joy". Also, we will see various implications of "Let the Lord be magnified." God delights in our

prosperity. We must magnify Him above whatever we are going through because He is the Creator of all things, and nothing catches Him unaware. We will see from the pages of this book that as we favor His righteous cause and we are bent on magnifying the Lord above the false magnification that challenges pose to us, God will come through for us; the challenges will give way; and we will emerge more-than-conquerors.

Let's Magnify The Lord, Second Edition Jan 09 2022  
As we also glorify God in magnifying him, he will frequently give us occasion of praising or telling others of

his magnificent power and favor to us. He will enable us to look up to him with comfort and cheerfulness and upon our enemies with confidence where he will lift us out of the oppressive situations in which we go through and he will restore us to our former power and dignity from which we have fallen. Many of us are living in our pride day in and day out except for giving God all due glory and when we do this he will abase us bringing us down to our knees and we will then recognize that he is the one that is to be magnified. Men may try to rule, but God is the overseer. He is a mighty God full of

compassion. We should give him thanks daily and magnify his holy name. He is Lord of Lords, King of Kings, the all Majestic. Power and ruler of all. Like when Elijah called out to God and said; "Let it be known this day that you are God in Israel and that I am your servant and that I have done all these things at your word. Listen to me, O Lord. Hear me, so that these people may know that you are the Lord God and that you have turned their hearts back again." Then the fire of the Lord came down, burning up the offering with the wood and the stones and the dust, and lapped up all the water that was

in the drain.

*The Inner Essence of Worship* Feb 27

2021 You can go to

church, listen to a sermon, sing songs or donate money without

worshipping God in spirit and in truth.

The author argues that genuine

worship involves magnifying God from the heart.

Worship is rejoicing in the goodness of the triune God.

Abraham Kuyper wrote: "The

assembled congregation is engaging in the practice of

worship." This practice is not merely external.

The author develops a biblical theology for authentic worship. He calls Christians to restore the family altar so that Christ is worshipped in covenant homes.

**Lord** Oct 26 2020

This book tells you about many people that had magnified God. It has many exciting words that will give you comfort. Many Kings who tried to have all the glory was knocked down to their knees because they wanted to be the one in charge and enlarge. We should put God at the top of our list. This

books tells you about many prophets of God through Jesus Christ our Lord, that were saved when they were given favor, but hated by man. You will get wisdom in how to serve our Lord and why. It will also share with you about a harlot who saved God's messengers, and was greatly rewarded by ended up in the line blood of Jesus Christ through David, a king, whom at one time killed a man that was over 9 feet, with just a sling and a stone. You will find many interesting stories of people before our time that magnified our Lord. They knew by serving Him was the right thing to do. They

believed in His law that He put before them and the same law that He puts before us today, which mankind is trying to sweep under the rug. By serving God they defeated their worst enemy - the devil. And you can do the same. The power is in your hand through the name of Jesus Christ our Savior. By taking these words to your heart and mind and by living them day in and day out, you will have an understanding in accomplishing obstacles throughout you life. This is why we should magnify the Lord. He is awesome. My love for him is a love that I have for no other on this earth.

Jun 21 2020 "Don't magnify your problems, start magnifying your God. In other

words, do not tell God how big your problems are, instead begin to tell your problems how big God is." This quote captures the essence of the faith walk of Author Pablo D. Fonseca. This scriptural and and prayer based book takes the reader through the challenges in life that make us question the mindset and the economy of God. BY the book's conclusion you will learn that God has a plan for everything we endure. By giving your agenda over to Him you will soon find comfort in all of Life's ups and downs by discovering that your destiny is not a matter of chance but a matter of

choice..

**I Will O Lord,  
Magnify, Exhort  
and Praise You at  
All Times** Jul 15

2022 This book was written to assist the Christian with praising our Lord. For some odd reason we tend to wait for the new car, the new house, the new job, the increase in income before we give God more than the same old Sabbath Day praise. But He (God) is worthy of more than that from us. God is worthy of praise for the things we don't see, the things we overlook and even the things that seem to be insignificant to us. It is the mighty hand of God that brings forth all righteousness. And if for no other reason, we should

reverence Him for it. Each passage of scripture will be uplifting as well as inspiring. Discover the bliss of magnifying God from the depths of your heart. Experience the feeling of God inhabiting your praises. Express the passion you have for the Father and all of His goodness. Your joy will grab you, and the Holy Spirit within will burn like fire shut up in your bones. You will find yourself praising the Lord over and over again; and it will become easier and automatic. Like the old saying goes, "It'll be a piece of cake."

**Let the Nations

2019 John Piper's  
bestselling book on

missions (more than 300,000 copies sold) draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defense of God's supremacy in all things, providing readers with a sound theological foundation for missions. This 30th anniversary edition of a contemporary classic incorporates insights from the author's refined thinking over the past 10 years. Used extensively as a textbook for missions courses and a resource for ministries, *Let the Nations Be Glad!* provides a passionate plea for

God-centeredness in the whole enterprise of world evangelization and explores the role of prayer and spiritual warfare. The book is essential reading for those involved in or preparing for missions work. It also offers enlightenment for students, pastors, youth workers, campus ministers, and all who want to connect their labors to God's global purposes. The 30th anniversary edition features a deluxe hardcover binding. *MARY MAGNIFYING GOD*
