With The South Beach Diet, Dr. Arthur Agatston ended the low carb versus low fat debate and educated the country about healthy carbs and fats. In The South Beach Diet Gluten Solution, he cleared up the confusion surrounding gluten and helped people find their own gluten threshold (what he calls becoming gluten aware). Now he clarifies another matter: Gluten-free eating does not mean you have to sacrifice flavor or good nutrition. The South Beach Diet Gluten Solution Cookbook makes creative use of gluten-free ingredients in 175 recipes that will please even the most discerning palates. Mouth-watering dishes like Bacon and Pecan Breakfast Biscuits, Vegetable Quiche with Spinach Crust, Johnnycake Chicken Sandwiches, Shrimp and Chicken Pad Thai, Summer Berry Tart, and Cashew-Butter Cookies will more than satisfy the heartiest (and healthiest) of appetites. And with more than half of the recipes taking 30 minutes or less from start to finish, this book is perfect for the busiest of cooks. Unlike the recipes found in many gluten-free cookbooks, those in The South Beach Diet Gluten Solution Cookbook are free of highly refined flours, sugars, and artery-clogging saturated fats—but are still packed with plenty of flavorful ingredients. Even readers who aren't gluten-free 100 percent of the time will enjoy reaping the health rewards of these diet-friendly and delicious dishes. From the creators of the original ketogenic, low-carb diet, comes the most accessible and flexible approach to the Atkins diet ever: a simplified lower carb and sugar approach based on solid science. Featuring a foreword by Atkins spokesperson and actor Rob Lowe. The latest science continues to support the many health benefits of a low-carb approach to eating, far beyond just weight loss. Simply reducing your carb and sugar intake by two-thirds over the “Standard American Diet” helps avoid the development of obesity, metabolic syndrome, and type 2 diabetes. While many diet trends can be vague in their approach, The Atkins 100 Eating Solution’s fan-favorite program provides a clear-cut way to control your carb intake with 100 grams of net carbs a day and shows you how to make delicious and satisfying food choices that lessen their impact on your blood sugar. This personalized approach is a way of eating you can follow for life. With cutting-edge research and delicious recipes—all of which feature fifteen to twenty net carbs—The Atkins 100 Eating Solution provides an exciting and delicious variety of food. You’ll also discover how the plan can be easily modified to fit in with most ways of eating, including vegetarian, Paleo, Mediterranean and more. For the first time ever, you’ll even learn how to modify each recipe for the Atkins 40 and Atkins 20 program. This guide is easy to use regardless of food preferences, lifestyle, or cooking abilities. This book is not about following fads or suffering for results; it is a sustainable, delicious program for everyday wellness. Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Beck Diet Solution is a six-week program that teaches you a different psychological skill every day to help you achieve your weight-loss goals. It doesn’t include a diet plan, but it teaches you all the skills you need to be able to stick to any nutritious diet of your choice, and to lose excess weight and keep it off for your lifetime. #2 The first few days or weeks of your diet are relatively easy, so you naturally believe that eating less, resisting cravings, and handling hunger will always be easy. But eventually, it will become more difficult for you to stick to your plan and say no to some of your favorite foods. #3 You will need to learn how to respond to your thoughts in order to lose weight and keep it off. For example, you might have thoughts like, I don’t want to do that, or, I don’t have to do that. It’s important to recognize and address these thoughts so that you’re motivated to do what’s needed to lose weight and keep it off. #4 If you’re still not convinced that you need skills to lose weight, consider this analogy: imagine if you had unrealistic expectations of yourself when it came to playing tennis. You might expect yourself to be able to figure out how to play on your own, and if that didn’t happen, you’d get upset

and think there was something wrong with you. The most effective diet for healthy weight loss just got better! Based on never before published NIH-funded research and developed by the foremost DASH dietician and leading nutrition expert, Marla Heller, this effective and easy weight loss program includes menu plans, recipes, shopping lists, and more. A healthy choice when it comes to food is to use herbs as a substitute for salt. Too much sodium in your diet not only has ill effects on your health, but it also bloats your body. To combat that, train your taste buds to survive without much salt. Use vibrant herbs and spices in your food to enhance flavor without the sodium. If you are not familiar with different herbs, experiment to find out which ones work perfectly with your taste. This is one of the secrets of the DASH diet and one of the perfect ways to drop those pounds that can cause serious problems. In her book Effective Weight Loss Solution: The DASH Diet, Wendy Jarich gives the best known tips and hints on how to lose weight the healthy way and in record time as well. Dr. Hyman's revolutionary weight-loss program, based on the #1 New York Times bestseller The Blood Sugar Solution, supercharged for immediate results! The key to losing weight and keeping it off is maintaining low insulin levels. Based on Dr. Hyman's groundbreaking Blood Sugar Solution program, THE BLOOD SUGAR SOLUTION 10-DAY DETOX DIET presents strategies for reducing insulin levels and producing fast and sustained weight loss. Dr. Hyman explains how to: activate your natural ability to burn fat--especially belly fat; reduce inflammation; reprogram your metabolism; shut off your fat-storing genes; de-bug your digestive system; create effortless appetite control; and soothe the stress to shed the pounds. With practical tools designed to achieve optimum wellness, including meal plans, recipes, and shopping lists, as well as step-by-step, easy-to-follow advice on green living, supplements, medication, exercise, and more, THE BLOOD SUGAR SOLUTION 10-DAY DETOX DIET is the fastest way to lose weight, prevent disease, and feel your best. From the New York Times bestselling author, this guide to healthy living features the latest science and research and a Mediterranean diet-inspired meal plan to make this the most healthy and effective DASH diet ever. The DASH diet has been a staple of the dieting world, recommended by doctors, nutritionists, and crowned the US News and World Report's #1 best diet for 8 years in a row. But popular tastes and medical guidelines have evolved, and The Dash Diet Mediterranean Solution presents a new approach to the time tested diet program that highlights the benefits of whole foods. Marla Heller, MS RD has overhauled the DASH plan to reflect the latest, cutting-edge research on hypertension, diabetes, depression, and other health issues that impact millions of Americans. Meal planning gets a new focus on unprocessed foods (less sugar free jello, more fresh fruits!), seafood options, and even a whole section examining vegan and vegetarian choices. Filled with four weeks of menus and tons of strategies and research, The Dash Diet Mediterranean Solution offers readers a new approach to their best health the DASH diet way. The companion cookbook to Dr. Mark Hyman's revolutionary weight-loss program, the #1 New York Times bestseller The Blood Sugar Solution 10-Day Detox Diet, with more than 150 recipes for immediate results. Dr. Hyman's bestselling The Blood Sugar Solution 10-Day Detox Diet offered readers a step-by-step guide for losing weight and reversing disease. Now Dr. Hyman shares more than 150 delicious recipes that support the 10-Day Detox Diet, so you can continue on your path to good health. With easy-to-prepare, delicious recipes for every meal -- including breakfast smoothies, lunches like Waldorf Salad with Smoked Paprika, and Grass-Fed Beef Bolognese for dinner -- you can achieve fast and sustained weight loss by activating your natural ability to burn fat, reducing insulin levels and inflammation, reprogramming your metabolism, shutting off your fat-storing genes, creating effortless appetite control, and soothing stress. Your health is a lifelong journey. The Blood Sugar Solution 10-Day Detox Diet Cookbook helps make that journey both do-able and delicious. Featuring 80 brand-new recipes and twelve weeks of meal plans, this easy-to-follow, comprehensive lifestyle solution can help you not only to reach your weight-loss goals, but also to maximise the diet's benefits for improved metabolic health and blood glucose control, and effective type 2 diabetes prevention and management. Based on research from around the world, as well as original CSIRO research, the low-carb diet and exercise plan has proved successful in managing preventable and lifestyle-related metabolic diseases, including obesity and type 2 diabetes. The diet lowers the proportion of carbohydrate relative to protein and unsaturated 'healthy' fat, and encourages participants to follow a regular exercise routine. Today, around 1.7 million Australians have diabetes and 280 Australians develop diabetes every day. This book provides an accessible, simple solution for helping Australians prevent onset and combat the symptoms.

Lose up to twenty pounds per month and see results without giving up pasta or chocolate! The scientifically proven low-carbohydrate nutrition plan has produced fast and dramatic results for millions of dieters, but cutting carbs and sugar can be difficult! This medically-approved, doctor-developed solution will help you stay under 50 grams of carbs per day, while still allowing delicious foods and regular "cheats," with minimal preparation time. Despite the fact that low-carbohydrate nutrition plans are highly effective for weight loss, many find them intimidating since they often must limit many of their staple foods. Learn how to enjoy old favorites such as pasta, cereal, chips, cookies, and chocolate while consuming only a small fraction of the carbohydrates and sugars found in the standard American diet. This medically-approved protocol, which is employed by thousands of doctors and weight loss clinics, will allow you to reap the benefits of the low-carbohydrate regimen, without feeling hungry or deprived. You'll benefit from The Doctors Weight Loss Diet because it contains: Helpful graphics so readers can visualize exactly what to eat to lose weight and see blood sugar level improvements in just one month. The option to incorporate foods that are not typically allowed on a low-carb plan. Detailed grocery lists, meal plans, and macronutrient charts. Categorized fats, carbohydrates, and proteins which are most beneficial for the healthiest low-carb plan. Mouthwatering recipes you can whip up in no time! Low-carbohydrate diets result in two to three times more weight loss than mainstream low-fat diets. They also significantly decrease blood sugar and blood pressure levels, as well as triglycerides (fat in the blood), while causing an increase in good cholesterol (HDL)—you owe it to yourself to give it a shot! Here nutritionists Aimee and Richard, in collaboration with Doctors Weight Loss, instruct readers on exactly what to eat to lose weight and improve overall health, without the requirement for exercise or too much time spent in the kitchen. Lose weight for the long term--this Mediterranean diet guide makes it delicious. With recipes, worksheets, and a holistic approach, you'll discover a wholesome lifestyle that's easy to follow and doesn't require you to give up rich and hearty flavors. The Mediterranean diet is one of the most popular diets in the world, because it's built on whole grains and other simple (but delicious) foods that can lower blood pressure and cholesterol--a win for your heart and your waistline. The Mediterranean Diet Weight Loss Solution is your guide to adopting the diet and changing the way you think of fitness and nutrition. This cookbook and lifestyle guide includes: Weekly meal plans--100 calorie-conscious recipes to kickstart weight loss over 28 days. Quick and easy dishes-- These recipes include one pot meals, make-ahead tips, shopping lists, and uses for leftovers. Exercise, rest, and relaxation--Discover how to get the most out of your workouts and create a schedule of sleep and activity that facilitates weight loss. The Mediterranean Diet Weight Loss Solution provides an easy-to-follow, 28-day program that kickstarts your weight loss and puts you on the path to healthy and happy. Can you really lose twenty pounds in a month? Will you really keep it off this time? With The Rice Diet Solution, you will! The Rice Diet Program has been helping dieters successfully lose weight since 1939. Now in book form, this world-renowned weight-loss method can help you change the way you eat forever. The Rice Diet Program in Durham, North Carolina, was one of the first medical facilities in America to use diet as the

primary way to treat disease. On this high-complex-carb, low-fat, and low-sodium whole-foods diet, “Ricers” lose weight faster, more safely, and more effectively than people on any other diet. Men lose on average twenty-eight to thirty pounds and women on average nineteen to twenty pounds per month! The Rice Diet also detoxes your body, ridding it of excess water weight and toxins from processed foods and the environment. The program's results have been documented by extensive studies and confirmed by thousands of people who report amazing weight loss, as well as immediate improvement in such conditions as heart disease, diabetes, and hypertension. Here's how it works: The Rice Diet strictly limits salt and sodium-rich ingredients. Salt, like refined sugar, is an appetite stimulant, so when you reduce salt intake, you lose water weight and are less inclined to overeat. The Rice Diet also limits saturated fats and instead relies on carbohydrates (fruits, vegetables, grains, and beans) as the main source of nutrition. The fiber cleanses your system and satisfies you so you feel full quickly. The Rice Diet makes it easy to limit calories; when you're eating foods that truly satisfy your hunger, it's a challenge to eat 1,500 calories per day! To make it easy to follow the program, The Rice Diet Solution includes hundreds of tasty, filling, easy-to-prepare recipes—some from the Rice House kitchen, others inspired by major chefs and adapted to Rice Diet standards. Challenging the viewpoint that starches are unhealthy, the plant-diet advocate and author of Fork over Knives explains how to fuel the body with carbohydrates rather than proteins and fats, drawing on the philosophies of the best-selling China Study outline a recipe-complemented lifestyle plan. Americans are overweight, and they're getting heavier. Other than wanting to perform invasive surgical procedures, most doctors offer little help. Their advice is usually "Eat less, exercise more," which falls back on the outdated dogma of calories in/calories out. Medical research on dieting is confusing and often contradictory. Not only are most people unsure about which weight-loss plan is best, but their physicians are, too! It has become an "everyone for him- or herself" situation, where we're forced to experiment, hoping to hit on the magic weight-loss formula by chance . . . and the increasing number of fad diets makes our odds of picking the right weight-loss plan even less likely. Why can't the medical establishment make sense of the overload of information and give us sound advice that actually enables people to lose weight and improve their health? Fortunately, recent studies have shined a new light on the subject and may finally help us understand a successful way to diet. This research proves what many men and women have learned through trial and error: some do better on a low-carb diet, and others do better on a low-fat diet. This is because some people have the metabolism of a Hunter, while others have the metabolism of a Farmer. In this groundbreaking book, Dr. Mark Liponis, a leading expert in preventive and integrative medicine, will show you how to determine which type you are so that you can lose weight and improve your health at the same time. Once you know your type, you'll be on the road to successful weight loss and greater health and well-being! "Thyroid Symptoms: Dieting to Treat the Over or Underactive Thyroid" is a book that gives the reader the opportunity to learn a bit more than the basics about thyroid disease and also to find out what can be done, other than medical intervention to help to treat or control the disease. As more and more persons are being diagnosed with this disease in the last few years, it has become extremely important to have relevant information on the disease. The book is ideal for any individual that may want to learn about thyroid disease just to be more informed on the subject or for the individual that has or may know someone that has this disease. Metabolism diet is a diet with the major aim of enhancing metabolic rate for a variety of purposes like health and weight loss. Metabolism is the rate by which your body is able to digest all the nutrients from the food you eat and convert calories into energy. Starting a metabolism diet has several advantages and the first advantage is that it greatly enhances your metabolic rate which means that your body gets a more improved ability to absorb nutrients and easily convert calories into energy instead of being turned into fats and stored inside the body to gain weight. Second, metabolism diet is a very effective solution to lose weight. Since you will be exposed in a diet of metabolism-enhancing foods, it means that there is no room for fats to be stored useless inside the body and instead, they will be burned and make good use of which results to weight loss. The words healthy and wholesome, delicious and tasty are not always compatible, but that's exactly what The Ultimate Diet Solution™ Cookbook achieves, helping you to prepare fuss-free, nourishing meals that don't compromise on taste and enjoyment. The Ultimate Diet Solution™ Cookbook * includes 100 delectable, quick-and-easy recipes that promote weight loss and wholesome living; * addresses insulin resistance and lifestyle-

associated diseases such as coronary heart disease, high blood pressure and Type II diabetes; * features a GI guide and nutritional analysis for each recipe; * contains ingredient lists for single servings as well as family proportions. How many times does a dieter enthusiastically and faithfully start a weight-loss regimen only to end up a week, a month, a year later giving in to hunger and cravings again and again--and before he or she knows it, the pounds have packed back on? This time, it's going to be different. This time, there's The Beck Diet Solution Weight Loss Workbook--a straightforward, effective plan for dieting successfully, losing weight with confidence, and, most importantly, keeping those excess pounds off forever. Dr. Judith Beck, director of the Beck Institute for Cognitive Therapy and Research, is a world-recognized authority in the field of Cognitive Therapy. In her first weight-loss book, The Beck Diet Solution, she created a unique program that revolutionized people's approach to shedding pounds by changing both behavior and thinking. Rather than tell what to eat, Dr. Beck's step-by-step, six-week plan--which works with any nutritious diet--teaches the skills needed to stay continuously motivated to stick to a diet and to achieve lasting weight loss. Features Works for dieters who are familiar with the original The Beck Diet Solution book AND for those coming to the program for the first time through this workbook It is a stand-alone workbook that will incorporate the philosophy of Cognitive Therapy for weight loss and give the reader a map to plan and chart their own weight-loss program Highly user-friendly, with plentiful opportunities to connect with other real-life dieters through their stories and sessions with Dr. Beck There is a place for the reader to fill out lists of favorite foods, trigger foods, and alternatives based on a healthy eating plan The newest approach to the New York Times bestselling DASH diet, featuring a completely new approach to eating, the latest science and research on improving heart health and reducing the risk of diabetes, and a Mediterranean diet-inspired meal plan to make this the most healthful and effective DASH diet ever. #1 Best Diets for Healthy Eating#1 Best Heart-Healthy Diets#1 Best Diets for Diabetes#1 Best Plant-Based Diets#1 Easiest Diets to Follow The DASH diet has been a staple of the dieting world, recommended by doctors, nutritionists, and crowned the US News and World Report's #1 best diet for 8 years in a row. But popular tastes and medical guidelines have evolved, and THE DASH DIET MEDITERRANEAN SOLUTION presents a new approach to the time tested diet program that highlights the benefits of whole foods. Marla Heller, MS RD has overhauled the DASH plan to reflect the latest, cutting-edge research on hypertension, diabetes, depression, and other health issues that impact millions of Americans. Meal planning gets a new focus on unprocessed foods (less sugar free jello, more fresh fruits!), seafood options, and even a whole section examining vegan and vegetarian choices. Filled with four weeks of menus and tons of strategies and research, THE DASH DIET MEDITERRANEAN SOLUTION offers readers a new approach to their best health the DASH diet way. The best-selling author of The Blue Zones outlines a plan for improving health through the eating and lifestyle habits of world regions associated with longevity, sharing inspirational stories while identifying 50 health-bolstering superfoods. Squash bloat and breakouts, balance hormones, and reduce pain and cramps Sometimes it feels like there's just no way to feel good during your menstrual cycle. It seems like your body is out to ruin your life and ibuprofen and sick days are the only way to get through--until now. The Better Period Food Solution teaches you how to eat for a better, healthier, more comfortable period! This helpful guide shows how nutrition and certain foods can not only help alleviate painful period symptoms, but also heal your body through every stage of your cycle. Whether you suffer from painful periods or low energy, or a more chronic problem like endometriosis, The Better Period Food Solution will guide you through the nutrition choices that are best for your body. The book also includes sample meal plans and recipes that allow you to enjoy a lifetime of healthier cycles. Today, supermarkets have dedicated gluten-free aisles, restaurants highlight gluten-free dishes on their menus, and millions of people have cut gluten out of their diets in the hopes of boosting health and losing weight. But despite all the attention, gluten confusion still reigns. Enter cardiologist Arthur Agatston, MD, author of the groundbreaking The South Beach Diet. With that book, Dr. Agatston ended the diet debates and cleared up the high-carb versus low-carb confusion. In The South Beach Diet Gluten Solution, he does the same for gluten, demystifying the effects of the difficult-to-digest protein in wheat and some other grains. The truth is, not everyone needs to give up gluten permanently—nor does doing so guarantee weight loss. With Dr. Agatston's phased Gluten Solution Program, based on proven South Beach Diet eating principles, you'll be able to determine your own level of gluten sensitivity—and you'll drop up to 10 pounds in just two weeks.

What makes Dr. Agatston's approach unique is that he shows you how to become gluten aware, not gluten phobic. He shares his own personal journey to gluten awareness and explores the latest research to determine the real connection between gluten and health. He explains that a number of factors, including our vast overconsumption of highly processed grains, have increased the incidence of gluten sensitivity and celiac disease. These conditions contribute to a host of health issues, including brain fog, mood swings, digestive disorders, joint pain, and skin problems. You can find relief from these and other symptoms by following the South Beach Diet Gluten Solution Program. With detailed daily meal plans, tips for traveling and dining out, inspiring stories, and 20 delicious recipes (that sacrifice neither taste nor health), The South Beach Diet Gluten Solution gives you everything you need to feel great, lose weight, and navigate the gluten-free world with ease. If you had told me 2 years ago that such a small change in my diet would yield such a big difference in my health, I would have laughed right in your face!" ~Chris Randall; Vegan In "The Vegan Solution: Why the Vegan Diet Often Fails and How to Fix It," prolific author Matt Stone shares his pioneering research on the role of metabolic rate in health as applied to a vegan diet. In the book you'll learn about "The Frigid Fourteen" - fourteen metabolism-lowering mistakes that are frequently being committed in the vegan world. These simple, misguided mistakes are commonplace and extremely detrimental to the metabolic rate and all of the body's systems affected by it. Yet they are all simple to fix, returning the body back to proper function, oftentimes while remaining completely vegan. Popular Youtube vlogger Chris Randall, who lost 150 pounds and rid himself of many chronic health issues and has had a sensational return to health with a vegan diet, also chimes in with his personal experience and advice after applying many of Stone's methods. Randall has spent many months as a personal client of Stone's, and has seen his body temperature return to normal, his strength and sex drive is soaring like never before, and he is getting progressively leaner and healthier eating in excess of 4,000 calories daily - far more than he was eating prior. In the book you'll find out how you, vegan or not, can apply the same methods and achieve similar results - all with changes so minor it will seem far-fetched that it could actually yield such dramatic changes. The common negatives you hear about a vegan diet - losing muscle mass and strength, hair loss, horrendous digestion, tooth decay, freezing cold hands and feet, frequent urination, insomnia, dry skin, loss of menstruation and sex drive, and more are things most assume to be a consequence of avoiding animal products. Stone and Randall propose otherwise and aim for "fixing" your vegan diet instead of rushing you down to the local steakhouse. Whether you are thinking about trying out a vegan diet or have been at it for many years, this book is the manual for how you can properly meet your physiological needs, avoid the ravages of a poorly-designed vegetarian diet, and thrive. In an endless sea of pseudo-scientific and cultish vegetarian literature and propaganda, "The Vegan Solution" offers up real, sound, simple advice based on the scientific reality of our human needs and biological function. It's a must-read for anyone attempting to follow a vegan diet John Gray, PhD, has taught men and women how to embrace their differences to build strong, loving relationships. This practical guide reveals how diet, exercise and communication skills combine to affect the production of healthy brain chemicals. With great insight and vision, John Gray examines the different emotional issues that govern mood, motivation and passion in men and women. He goes on to explore how men and women lose weight differently and provides effective tools to eliminate addictions and food cravings. The Program focuses on: -Relationship and communication issues that affect hormonal and brain chemistry balance -Nutritional supplementation for increasing physical, mental, nutrition and weight management -Gender-specific diet, nutrition and weight management -Essential physical exercises for stimulating the lymphatic, endocrine and brain systems and cerebral spine fluid -Stress and mood management The companion cookbook to Dr. Mark Hyman's revolutionary weight-loss program, the #1 New York Times bestseller The Blood Sugar Solution 10-Day Detox Diet, with more than 150 recipes for immediate results! Dr. Hyman's bestselling The Blood Sugar Solution 10-Day Detox Diet offered readers a step-by-step guide for losing weight and reversing disease. Now Dr. Hyman shares more than 150 delicious recipes that support the 10-Day Detox Diet, so you can continue on your path to good health. With easy-to-prepare, delicious recipes for every meal - including breakfast smoothies, lunches like Waldorf Salad with Smoked Paprika, and Grass-Fed Beef Bolognese for dinner -- you can achieve fast and sustained weight loss by activating your natural ability to burn fat, reducing insulin levels and inflammation, reprogramming your metabolism, shutting off your fat-storing genes, creating effortless

appetite control, and soothing stress. Your health is a life-long journey. THE BLOOD SUGAR SOLUTION 10-DAY DETOX DIET COOKBOOK helps make that journey both do-able and delicious. Want lasting weight loss? According to New York Times bestselling author and UCSF associate clinical professor Laurel Mellin, Ph.D., the universal pathway to a healthy body weight is to become wired for joy. Start by learning how to get from high-stress states to joy in under four minutes, then use the same techniques to switch off food cravings and activate positive moods, relationship pleasure, and body pride. This game-changing book delivers the same breakthrough program used by physicians, nutritionists, and psychologists in groups and coaching nationally. The science behind the method that the book maps out, emotional brain training (EBT), is cutting edge. Its easy-to-learn tools have been shown in peer-reviewed research to produce lasting improvements in happiness, weight, eating, relationships, blood pressure, and exercise. EBT is a weight loss method for the 21st century. Use the book alone, or access the program's app, coaching, and telegroup options to change your brain's habits. Rewire your brain to satisfy your true hungers with the seven of the rewards of a purposeful life: sanctuary, authenticity, vibrancy, integrity, intimacy, spirituality, and freedom. Become wired for joy. This book suggests natural health solutions for PCOS, ovarian cysts and polycystic ovaries that can help you to; regulate your periods; enhance your fertility; diminish risk of miscarriage; relieve depression; lose excess fat and gain toned muscle; enjoy increased energy on a consistent basis; clear up acne; decrease unwanted hair growth; normalise skin tone and texture; minimise heart disease and diabetes risk; lessen the need for expensive medications; reduce need for ovarian surgery. From the authors of the phenomenal bestseller Protein Power comes a quick, easy-to-follow low-carb diet plan designed to get you on the fastest possible track to losing weight, feeling fantastic, and improving your health. If you've heard all the recent publicity about how low-carb eating can turn your health around--by keeping your insulin levels down and getting your excess weight off--but don't want to wade through hundreds of pages of explanation or complicated formulas before you get started, The 30-Day Low-Carb Diet Solution is for you. Unlike any other low-carb diet book in the market, this book gives you low-carb 101: the basics of low-carb eating without all the fuss. In this much-needed book, two of the most trusted names in low-carb dieting who have helped millions of readers lose weight provide the simplest possible diet designed for the best possible results. Drs. Michael and Mary Dan Eades give you the step-by-step basics-what to eat, what to avoid--and even provide specific low-carb meal plans to guide you at breakfast, lunch, dinner, and snacks for a full month. For those who would rather design their own meals, they include expert advice for easily creating a customized plan based on your current weight, health status, and goals. They show you the exact portions of carbohydrate-rich foods you can enjoy now to reach those goals and how to increase those amounts to maintain your health and weight for the long haul. Simply by knowing your height, weight, and gender, you can quickly determine how much protein to eat for optimal health-no complicated measurements, charts, or formulas to follow. The Drs. Eades include everything you need to get started now: self-assessment quizzes to help you effortlessly tailor your program to fit your needs, fill-in worksheets for planning meals and tracking your progress, and other important nutritional information for easy reference. By following the simple but highly effective and powerful diet in The 30-Day Low-Carb Diet Solution, complete with 30 days of meal plans and more than 100 delicious and easy recipes, you'll be on your way to a thinner and healthier you in just a month! The DASH Diet, or Dietary Approaches to Stop Hypertension, was developed in 1992 with the amazing collaboration of highly respected medical research facilities and numerous national health organizations. This partnership produced one of the most successful and beneficial medical diets to date - one that has been hailed as the "Healthiest Diet." Meant to lower high blood pressure with low salt and high fiber foods, the DASH Diet has also been found to be incredibly affective as a Diabetic Diet, one that helps maintain blood sugar in a healthy range. Universal and versatile, the DASH Diet is not only beneficial, it can help lower weight and generally inspire a true feeling of wellness. In this detailed, yet easy to understand and read guide, the DASH Diet is laid out step by step; what you need to begin, how to stock your kitchen, prepare meal plans, what qualifies as a DASH food, what to eat, what not to eat, what to limit and even how to incorporate DASH into eating out. Filled with plenty of facts and inspiration, this guide is all you need to start eating the DASH way today. Most diet programmes work at first. We lose a few pounds in a few weeks, but then life happens and the bad habits and the weight return. In this invaluable book, Judith Beck PhD offers the solution to break free from these

common diet traps and keep the weight off for life. Judith Beck explains that when it comes to losing weight, it's not just about what we eat - it's also about how we think. To consistently eat differently, we must learn to think differently. Diets fail us because they don't offer effective strategies for overcoming the common traps - emotional eating, social pressure, dining out - that can derail us. Now, she and her daughter, Deborah Beck Busis, share the techniques they have successfully used with thousands of clients, revealing exactly how to overcome the thoughts and behaviours that have been holding you back. With The Diet Trap Solution, readers on any diet can learn to identify their specific diet traps, prepare for their personal triggers and create action plans to strengthen their 'resistance muscle' - making losing weight easy, sustainable and enjoyable. The New York Times bestseller. Before Atkins, before the low-carb craze, before counting calories, there was the Rice Diet Program. Founded by a pioneering Duke University physician in 1939, the Rice Diet Program has been helping dieters lose weight quickly, successfully, and permanently. Now, this world-renowned, medically approved weight-loss method can help everyone across the world--and not just those who travel to Durham, North Carolina. The Program offers a high-complex-carb, low-fat, and low-sodium diet that sheds excess body fat at an astounding rate. On average, men lost 28 to 30 pounds per month, and women lost 19 to 20 pounds per month. The diet also cleanses the body of water bloat and toxins, and has been seen to help with such chronic health problems as heart disease, diabetes, and hypertension. Included are hundreds of delicious, easy-to-fix recipes. "Rebalance your hormones with food, learn how to control cravings, drop pounds with the ... eating and exercise plan"--Dust jacket. Fear of carbs has taken over the diet industry for the past few decades--the mere mention of a starch-heavy food is enough to trigger an avalanche of shame and longing. Here, diet doctor and board-certified internist John A. McDougall, MD, and his kitchen-savvy wife, Mary, show that a starch-rich diet can actually help you lose weight and prevent a variety of ills. By fueling your body primarily with carbohydrates rather than proteins and fats, you'll feel satisfied, boost energy, and look and feel better.--From publisher description. Dr Beck, one of the foremost authorities in the field of Cognitive Therapy, has created a six-week plan that will help people stick with their diet, lose weight with confidence, and keep weight off for a lifetime. This program is not only based on the author's personal success and on her success with her many clients, but also on published research. It all starts with how you think. The Beck Diet Solution is designed to build psychological skills that will enable you to: Avoid cheating Cope with hunger and cravings Deal with stress and strong negative emotions without turning to food Motivate yourself to exercise Handle eating out, vacations, and special occasions Eliminate overeating, bingeing, and backsliding You can learn how to do all of the things you need to do to diet successfully by changing the way you think.
