From 1990 1994 the Danish Research Council for the Humanities granted a research project entitled translation of LSP texts, which was initially split up into five part-projects, one of which has been concerned with LSP lexicography."The Manual of Specialised Lexicography" is one of the results of the research undertaken by this project. The primary purpose of the Manual is to contribute towards an improved basis for practical specialised lexicography, which has so far had but a small share in the explosive development that has taken place in general-language lexicography since the early 1970s. One implication of this is that only to a limited extent has it been possible to build upon existing findings.The Manual thus has the twofold aim of offering guidance and direction to authors of specialised dictionaries as well as contributing towards the further development of lexicographical theories. Diesel Tasksheet Manual for NATEF Proficiency is designed to guide students through the tasks necessary to meet National Automotive Technicians Education Foundation (NATEF) requirements for Automotive Service Excellence (ASE) Medium Heavy Truck. Organized by ASE topic area, companion tasks are grouped together for more efficient completion and are clearly labeled with NATEF task numbers and the NATEF priority level to help students easily manage responsibilities. This manual will assist students in demonstrating hands-on performance of the skills necessary for initial training in medium heavy truck. It can also serve as a personal portfolio of documented experience for

prospective employment. Used in conjunction with CDX Diesel, students will demonstrate proficiency in fundamentals, diagnosis, service, and repair. KEY FEATURES * List of required and recommended materials and equipment for each task * Critical safety issues relevant to the task * Student Notes boxes offering vital information the student needs to consider while performing the task * Time Card feature to allow students to track the time they spend on each task * Performance rating and instructor sign-off for each task * A correlation guide cross-referencing the tasks with their NATEF task numbers
