The WPA Guide to South Carolina Sep 17 2022 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The WPA Guide to South Carolina presents a state at the epicenter of Southern culture. The Palmetto State's guide comes complete with the standard driving tours across

the Blue Ridge Mountains and Mid-Atlantic coast as well as recipes for delicacies such as Cracklin' Bread and Peach Leather.

This is particularly true since Shattered Family describes forms of abuse most would not be able to comprehend exist, such as the sociopaths predators ability to successfully use law enforcement and others in authority to abuse his victims and exercise complete control over his victim(s) life/lives. This book additionally offers a long real-life movie list as visual aid support. A must read for victims and those who wish to help victims of the sociopath and/or sociopath type abuser. Masters Speak Jan 29 2021 "If you want to pursue in a Western way the path that we follow here at Mirtola, you need to study and work with the Gurdjieffian teaching." Thus did the guru Madhava Ashish, at their first meeting, invite American businessman Sy Ginsburg on a spiritual journey that would last 19 years (until the guru's death) and include both annual visits to Sri Madhava Ashish's Mirtola ashram, near Almora, in India's Himalayan foothills, and a lengthy correspondence. Along the way, the entrepreneur/author would not only be caught up in the teachings of G. I. Gurdjieff, but also in the search for the elusive unitive vision — the world viewed from the perspective of the greater Self and not the personality. In this remarkable spiritual document, the reader shares the search, increasingly catching glimpses of the unitive vision as the book draws toward a close that is also an opening out, into the vaster dimensions of the human mind.

Lyrical Bible Jan 17 2020 The author is a hermit! A lifetime underachiever: A person who learned that you make it in life by hard work, smarts and chance. Who understands that there are no accidents or luck in life; there are only mistakes, opportunities and preparation. The author does not believe in marriage or relationships because he doesn't want to share 50/ 50 with no one. He only believes in intercourse and the feelings for the moment. It doesn't matter how a woman looks. That's because the author is more interested in the act and the person than the physical features. The author doesn't want his picture in the book because he rather be recognized for his works not his face. And he wants you to know in the end where to find happiness. It's not in a mate. They could leave you one day. It's in your babies.
