[I Have the Power to Shout Out](#) Mar 17 2020 I Have the Power to Shout Out is the first in a series of books that: teach children about their body "superpowers" in age-appropriate language, define what safe and unsafe touch looks and feels like, empower children to use their voices and to trust their internal alarm, and so much more. Children need an age-appropriate strategy they can use to help them protect their bodies. Just like every child knows that they need to "stop, drop, and roll" if they are ever on fire, this book will teach them to "shout out, get out, and speak out" to protect their bodies. Protecting your children is your most important job as a parent. I Have the Power to Shout Out, and the other books in the series give you the tools you need to empower your children and talk about the dangers of sexual abuse in a calm way that won't confuse or alarm them.

[Shout Because You're Free](#) Sep 15 2022 The ring shout is the oldest known African American performance tradition surviving on the North American continent. Performed for the purpose of religious worship, this fusion of dance, song, and percussion survives today in the Bolton Community of McIntosh County, Georgia. Incorporating oral history, first-person accounts, musical transcriptions, photographs, and drawings, Shout Because You're Free documents a group of performers known as the McIntosh County Shouters. Derived from African practices, the ring shout combines call-and-response singing, the percussion of a stick or broom on a wood floor, and hand-clapping and foot-tapping. First described in depth by outside observers on the sea islands of South Carolina and Georgia during the Civil War, the ring shout was presumed to have died out in active practice until 1980, when the shouters in the Bolton community first came to the public's attention. Shout Because You're Free is the result of sixteen years of research and fieldwork by Art and Margo Rosenbaum, authors of Folk Visions and Voices. The book includes descriptions of present-day community shouts, a chapter on the history of the shout's African origins, the recollections of early outside observers, and later folklorists' comments. In addition, the tunes and texts of twenty-five shout songs performed by the McIntosh County Shouters are transcribed by ethnomusicologist Johann S. Buis. Shout Because You're Free is a fascinating look at a unique living tradition that demonstrates ties to Africa, slavery, and Emancipation while interweaving these influences with worship and oneness with the spirit.

[The Nitpicker's Guide for Classic Trekkers](#) Feb 14 2020 Six feature films, the wildly successful television spin-off Star Trek: The Next Generation, endless reruns, videotapes, conventions, a line of best-selling novels, and William Shatner's New York Times best-seller Star Trek Memories have kept the Star Trek spirit alive and well, even 25 years after its cancellation. Now this must-have book for all Trekkers -- which covers every episode of the original series, the pilot, and all six movies -- reveals all the bloopers, continuity errors, plot oversights, equipment malfunctions, and goof-ups that discerning, die-hard fans love to spot, but may have missed. Written especially for all those who find themselves thinking, "Hey, if the transporter is broken, why don't they just use a shuttlecraft?", this nitpicky volume includes Kirk's toupee watch; an examination of the logic of the miniskirted female crew members; number of times Kirk violated the Prime Directive and lots of trivia questions, fun facts, quizzes, and more. Live long and nitpick.

[No Matter How Loud I Shout](#) Jul 21 2020 A journalist's profile of a juvenile court and its judges, lawyers, probation officers, and children focuses on five specific troubled minors and reveals the system's impact on their lives and their prospects. 25,000 first printing.

[Crossing Cultural Boundaries](#) Mar 29 2021 To cross boundaries, to go beyond borders: an evocative idea, but what are the implications and consequences of transgression? How are boundaries challenged, redefined and overcome within the intricacies of taboos, bodies and identities? Crossing Cultural Boundaries: Taboos, Bodies and Identities brings together a range of articles that address this theme using different frameworks of interpretation. As in the case of taboo, boundaries are often internalised and may function as regulators for a society. Their existence becomes visible the moment they are violated. The essays in this book explore voluntary and accidental encounters with boundaries not only from theoretical perspectives but also from the experience of those who are part of transitions on a regular basis in their everyday lives. The notion of otherness is central to the articles in this book. The definition and interpretation of cultural others become part and parcel of the process of negotiation of bodies and identities. While "the other" is marked by outward bodily signs, spaces, taboos and cultural practices, the self is empowered by resisting submission to dominant modes and descriptions. Deconstructing boundaries becomes part of the project of redefining the self. This book will appeal to academics and researchers in communications, cultural studies, sociology, health sciences, anthropology, literature, and applied linguistics.

[A Shout in the Sunshine](#) Sep 22 2020 In fifteenth century Greece, an extraordinary friendship develops between Miguel, a refugee from post-Inquisition Spain, and David, the son of a wealthy Greek fabric merchant, despite the concerns of both Greek and Spanish Jews that the other group is not truly Jewish.

[Lord of the Flies \(MAXNotes Literature Guides\)](#) Apr 29 2021 REA's MAXnotes for William Golding's Lord of the Flies MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

[Na Shawa](#) May 19 2020 Time in early America when the Indian Nations lived undisturbed by European intervention comes alive. A great lake fixes an assortment of native traditions and cultures. Forested hills, open grassy meadows, green river valleys and rocky mountain retreats bound this great body of water. These natural boundaries form the secluded homelands of neighboring tribes that circumvent the perimeter of a large lake. The rite of passage into manhood of a young Indian is followed. The saga of a boy becoming a warrior unfolds in a series of adventurous episodes. The ensuing encounters reveal the variety of spiritual beliefs, living standards and tribal practices among the first nations. The young hero is led upon a journey directed by the foretelling from the spirit world. An assortment of native characters appears to reveal the details of life passing long ago in the wilderness. The fullness of living free in the woods and forests of America is shared. The reader fully participates through transportation into primitive rustic American existence.

*The Disciple* Apr 10 2022 In *The Disciple*, Lucy Peppiatt addresses the question of what it means to "become like Jesus" in the context of our everyday lives. Through the gifts of the Word and the Spirit, our communities, and our circumstances in life, God forms us into the likeness of his Son and leads us into a life of freedom, in relationship with the Father, where we experience what it means to become truly and fully human. The Disciple brings together theological depth, stories from Scripture, and examples from everyday life to paint a picture of the dynamic work of God in our lives and how we might respond to his work so that we are brought into the richness and reality of the life of the kingdom. Following Jesus means being apprenticed and schooled in the ways of freedom and the fullness of life. The Disciple combines theology and practice, including suggestions of how to respond in practical ways, as individuals, and in our communities, to the calling of God on our lives to "follow him."

*Managing Financial Risk: A Guide to Derivative Products, Financial Engineering, and Value Maximization* Jun 12 2022 *Managing Financial Risk* is the most authoritative and comprehensive primer ever published for financial professionals who must understand and successfully use derivatives. The previous edition of this professional financial classic sold over 18,000 copies and emerged as a leading training tool in the derivatives industry. The book covers derivative products from the most basic to the most complex and explains how derivatives are used by each major player in the market: dealers, financial firms, and corporations. In addition, the book includes short contributions from a variety of experts from leading companies such as Citibank, J.P. Morgan, British Petroleum, and Ciba-Geigy. Completely updated to include new material on new products such as commodity swaps and credit swaps, this edition will cover every aspect of the derivatives marketplace with insight and authority.

*There's No Need to Shout!* Jul 13 2022 This practical book on the subject of positive behaviour management is invaluable to teachers, classroom assistants and people involved in education and training. It provides an insight into the changes that have occurred in secondary school classrooms over the past forty years that have led to the difficulties teachers have in managing the behaviour of their pupils.

**Harper's New Monthly Magazine** Oct 04 2021 Important American periodical dating back to 1850.

*Ella Baker's Catalytic Leadership* Nov 12 2019 Ella Baker (1903–1986) was an influential African American civil rights and human rights activist. For five decades, she worked behind the scenes with people in vulnerable communities to catalyze social justice leadership. Her steadfast belief in the power of ordinary people to create change continues to inspire social justice activists around the world. This book describes a case study that translates Ella Baker's community engagement philosophy into a catalytic leadership praxis, which others can adapt for their work. Catalytic leadership is a concrete set of communication practices for social justice leadership produced in equitable partnership with, instead of on, communities. The case centers the voices of African American teenage girls who were living in a segregated neighborhood of an affluent college town and became part of a small collective of college students, parents, university faculty, and community activists learning leadership in the spirit of Ella Baker.

**There's No Need to Shout!** Jan 19 2023 Written in a clear, easy to follow style and is packed with real case studies drawn from a wide range of educational contexts. Emphasis is on a positive approach and how language, humour, anger, non-verbal communication and the teacher's style of leadership can contribute to a well-managed, calm classroom. Clear guidance is given about how to devise, introduce and teach plans to the pupils so that they can become responsible for their own behaviour. An ideal starting point for training sessions or discussions, enabling staff to share ideas.

*Neo-Confucian Education* Aug 14 2022 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1989.

**Buffalo Shout, Salmon Cry** Aug 22 2020 How can North Americans come to terms with the lamentable clash between indigenous and settler cultures, faiths, and attitudes toward creation? Showcasing a variety of voices—both traditional and Christian, native and non-native—Buffalo Shout, Salmon Cry offers up alternative histories, radical theologies, and poetic, life-giving memories that can unsettle our souls and work toward reconciliation. This book is intended for all who are interested in healing historical wounds of racism, stolen land, and cultural exploitation. Essays on land use, creation, history, and faith appear among poems and reflections by people across ethnic and religious divides. The writers do not always agree—in fact, some are bound to raise readers' defenses. But they represent the hard truths that we must hear before reconciliation can come. Many who read Buffalo Shout, Salmon Cry are wondering, "How can I respond?" Paths for Peacemaking with Host Peoples is a short document intended to give people tangible ways to act and respond to some of the things learned in Buffalo Shout, Salmon Cry. Click here to download. Free downloadable study guide available here.

**Agent-Mediated Electronic Commerce. Designing Trading Strategies and Mechanisms for Electronic Markets** Feb 25 2021 This volume contains 18 thoroughly refereed and revised papers detailing recent advances in research on designing trading agents and mechanisms for agent-mediated e-commerce. They were originally presented at the 11th International Workshop on Agent-Mediated Electronic Commerce (AMEC 2009) collocated with AAMAS 2009 in Budapest, Hungary, or the 2009 Workshop on Trading Agent Design and Analysis (TADA 2009) collocated with IJCAI 2009 in Pasadena, CA, USA. The papers focus on topics such as individual agent behavior and agent interaction, collective behavior, mechanism design, and computational aspects, all in the context of e-commerce applications like trading, auctions, or negotiations. They combine approaches from different fields of mathematics, computer science, and economics such as artificial intelligence, distributed systems, operations research, and game theory.
