Fallen Angels Book 1 - Angel Fire Book 2 - Angel's Breath Book 3 - Earth Angel Book 4 - Angel Tears Book 5 - Angel of Darkness The Complete Book of Fallen Angels Evil walked the earth when angels fell. Evil stalks us now in disembodied spirits; immortal wraiths once clothed in flesh when angel and women bred; spirits released from their fleshly prisons when their bodies were destroyed for drinking the blood of men. Evil also lives inside of the common man; set free when pride kills reason and eats integrity whole. There is evil that entraps us and evil that tugs from within. But neither have control until we choose to relent. Evil is a choice of action, of thoughts entertained too long, of arrogance pushing aside the last vestiges of compassion. Evil resides within the problem of choice. What is evil? Could it be as simple as pernicious selfishness? Could it be the drive for immediate gratification without regard for others? Man's life is limited; one hundred years or less. But, the souls of angel and watcher are eternal. Consider how much evil can be wrought through the millennia of immediate gratification on an eternal scale. By contrasting and comparing ancient texts such as Enoch, Jasher, Jubilees, the Bible, and various others containing stories of the creation of angels, demons, and man, a full and panoramic history of evil is produced. In this history the startling revelation of the descent of man and angels, and the evolution of evil on earth is clearly revealed. "I cannot honestly say that I know what you are. I'm not even certain about what we are. Maybe we're simply mutants, mistakes of nature, or miracle workers, like angels. Or maybe we're . . . something else." "Something bad?" The author traces the history of the belief in fallen angels in Judaism, Christianity and Islam, and assembles a variety of tales and superstitions -- some grotesque, others quaint and humorous. His presentation also reveals a basic divergence between Judaism and Christianity in their respective attitudes toward the devil. Come and explore the shadowy side of existence and its integral part of our nature. In this book we will discuss the origin of evil spirits, how they are divided their classes. The traditional church calls all spirits demons and devils, but this is not the right language. To affirm this thesis, we must go to biblical and extrabiblical content to know the classes of spirits that have molested humanity since the beginning of time, let us talk here about the primary source, the fallen angels, right after the evil spirits, and demons or devils with their classifications and performances. No fallen angel is a demon, no demon has ever been a n. n. Let us talk about the fallen angels, who are usually the principalities and spiritual powers of this fallen world, the evil spirits who are obsessives, and the demons or devils, who usually feed on the vital energy of humans.
